Types of Eyebrows Tweezers by Scissors Town

CLASSIC

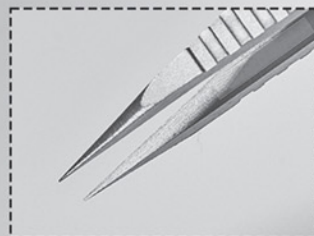

Slanted
Tip

Fits the curve of your eyebrows perfectly. The inner tweezers grip the hair fully, pulling it out from the root.

POINTER

Pointed
Tip

Perfect for removing ingrown hairs, thorns, splinters, fine hairs, blackheads, and ingrown whiskers.

EVOLUTION

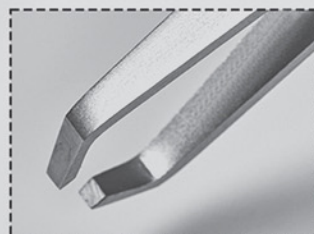

Slanted
and
Pointed
Tip

A two-in-one tool, ideal for ingrown hairs. The pointed tip lifts the hair to the surface, while the slanted end effortlessly removes it.

CRAB

Squared
Tip

Perfect for shaping eyebrows and removing fine or coarse hairs. Its precise alignment grips hairs securely.

EYEBROW & EYELASH TWEEZERS

- We have the finest quality of Professional Tweezers made by stainless steel with perfectly aligned tips to ensure accurate and efficient working without unnecessary tugging or discomfort.
- Their durability and precision, make them ideal for grooming and beauty purposes.
- A well-designed and properly made set of tweezers made by SCISSORS TOWN can make a significant difference in achieving you desired results when working on eyebrows and eyelashes
